

Nagoya University  
DII Collaborative Graduate Program  
for Accelerating Innovation in Future Electronics

# International Workshop on Education and Research for Future Electronics

January 20, 2021, Sakata Hirata Hall, Nagoya University

## Program

9:00 Registration open

9:30- 9:40 Opening remarks Prof. Akira Fujimaki  
(DII Program, Nagoya Univ.)

9:40-10:00 DII Program Prof. Hiroshi Amano  
(DII Program, Nagoya Univ.)

10:00-11:00 Keynote talk 1: Dr. Peter Harries  
(Dean, The Graduate School,  
North Carolina State Univ.)

11:00-12:00 Keynote talk 2: Prof. Yoshio Nishi  
(Professor Emeritus, Stanford Univ.)

12:00-13:00 Lunch break

13:00-13:45 Invited talk 1: Prof. Toshiro Kaneko  
(AIE Program, Tohoku Univ.)

13:45-14:30 Invited talk 2: Prof. Takeo Yamaguchi  
(TAC-MI Program, Tokyo Tech)

14:30-15:15 Invited talk 3: Prof. Tsunenobu Kimoto  
(Innovation of Advanced Photonic and  
Electronic Devices, Kyoto Univ.)

15:15-15:30 Break

Winners of Business Plan competition by Tongali  
(Tokai Network for Global Leading Innovators)

15:30-15:45 Team 青山大岳 (1st batch students of DII program)

15:45-16:00 Team YOGA-interact-online (1st batch students of DII program)

16:00-16:15 Team open sesame (2nd batch students of DII program)

Winners of Business Plan competition by Creww

16:15-16:30 Team D-Tech (2nd batch students of DII program)

16:30 Closing remarks
